

## Working Session on Sanitation Contract

August 13, 2020

Considerations for Trash Contract Jan. 1, 2021: The three waste management companies are local and have been chosen for preliminary comparison.

**Douglas Trash Service- (current waste service)** Clay and Noel Phillips, owners of Douglas Trash Service were present and gave insight on the service the City of Lonoke already has. After questions for Mr. Phillips, the Mayor and Council thanked the Phillips for being present and answering all questions.

**Waste Corp. of Arkansas (WCA)**- Mr. Stubby Stumbaugh was present and gave a report regarding the business. Mr. Stumbaugh mentioned WCA has been in business for 19 years and services 20 municipalities and a county, many commercial and industrial customers. Mr. Stumbaugh mentioned that recycling is available. After many questions for Mr. Stumbaugh, the Mayor and Council thanked him for being present and answering all questions.

**Green Environment Services of Arkansas**- Mr. Wayne Rathbun was present. He mentioned that the company is based out of Beebe. Mr. Rathbun mentioned that his company works with many small towns, therefore they have a small-town business model. He mentioned that his company does pick up recycling. After questions for Mr. Rathbun, the mayor and council thanked Mr. Rathbun for being present and answering all questions.
