Karen Dill called the special meeting to order at 6:30 PM.

Karen presented the building permit for the Lonoke School Business Academy. No questions from the commission. Dan stated he was not part of the commission but wanted to bring up that we may want to approve the permit contingent upon the land outside of city limits being annexed into the city limits. Karen said that part only applies to the city and that is not an item that the commission should be concerned about. If we put that contingency in there, then the school would have to wait till all the property was annexed in the city before they could break ground and we do not want to hold them up any longer. They are ready to start building and they will annex the property. Dr. John Tackett was present and had the paperwork where he had personally been to the Lonoke County Clerk to apply for the annex. Kelly Rather made the motion to approve the building permit. 2nd by Mike Jones. All in favor. Motion passed.

Motion to adjourn the special meeting by Karen at 6:45 PM.
